

Growing New Friends in the Garden Since 1926

Welcome to the Charlotte Garden Club; we would love to have you join or renew with us!

Since 1926, our mission has been to expand the knowledge of gardening through educational programs and transformational community projects under the direction of experts in horticulture and design. From September to April, you'll learn from gardening experts, acclaimed plant people and horticultural thought leaders at evening meetings held at Mint Museum Randolph.

Membership includes discounted tickets to our perennially-popular **Art in the Garden Tour** fundraiser each spring as well as exclusive member events like sip & strolls and workshops. Whether a new gardener or an experienced green thumb, you'll make new friends and have the chance to volunteer on community horticultural projects.
